## Email & Cell Phone Preferences

rollingcomponents.com will email you purchase confirmations and status updates for your order.  
In addition, we can offer you the following services. We will not share your email address with third parties for their independent use.

- ☐ Please email me product information, offers and incentives from Rolling Components.
- ☐ Please notify me of periodic rollingcomponents.com special offers by sending text messages, or mobile alerts.  
Standard text messaging and other rates apply. Certain services available only on participating carriers.
